NOTIFICATION OF TENDER OUTCOME - Ref DN768761
Lots Applied For: 1, 3

Thank you for responding to the opportunity of a contract for the provision of the Supported Living and Residential Services to the London Borough of Hackney. I am pleased to advise that your bid was successful. The Council is minded to accept your offer, and accept you as a provider onto our Framework, subject to the further information requested below, being provided by your organisation.

The tender award criteria was based on successfully passing the Procurement Selection Questionnaire stage, including the Conditions of Participation. Please note that the framework operates a call off stage for Lots 1 & 2, and a further competition process for Lot 3. At this stage, there is no feedback to present, but for each call off or further competition applied for, you will receive feedback whether successful or unsuccessful for the specific package of work.

I should be grateful if you would confirm receipt of this letter and forward the following documents, as agreed at tender stage, at your earliest convenience:

- Copies of Insurance Certificates

Following acknowledgement of this information, I will send out the contract document to be signed and returned to me at the email address above. If you have applied for Lots 1 and / or 2, you will be contacted to be onboarded onto the Council's eBrokerage / Marketplace system within the next 6 weeks.

I would like to take this opportunity to thank you for the time and effort taken over the preparation and submission of your successful tender. We look forward to doing business with you.

Yours sincerely
